

Associate Membership of Lismore Public Hall

For anyone who comes to Lismore, either regularly or just occasionally, and is interested in contributing to the island in some way, why not become an Associate Member of Lismore Public Hall?

Perhaps you've enjoyed dances, concerts or other events in the hall and wondered how the community of about 200 residents manages to finance the upkeep and heating of the building. The hall is over 60 years old and requires quite a lot of annual repair and decorating, mostly done by volunteers on the hall committee. But there are bigger issues like insulation, water-pump replacements, roof repairs etc which require professional work.

Lismore Public Hall is a registered charity (SC0214400) and company limited by guarantee (343613). The board of directors, which has responsibility for raising money and running the hall on behalf of the community, consists of 10 elected residents who meet monthly.

By becoming an Associate Member of the hall you will receive the newsletter and, if you would like to get involved and help a bit at dances etc, you would be very welcome behind the bar or in the kitchen!

Associate Membership is free but a donation to Hall Funds would be very much appreciated. In order to register, or if you want more information about the running of the hall, please email the Lismore website:
