## Small Scale Charity Fund-Raising Events

The Hall Directors are aware that for **small scale** (not large events) charity fundraising events, organized by Lismore residents, the charge for use of the Hall may excessively limit the resulting donation to a charity. The Directors wish to encourage use of the hall so invites anyone contemplating organizing such an event to apply (at least 2 months before the event) to the board for a special concessionary rate. No guarantee can be given that a concession will be granted but each case will be carefully considered on its merits.

## Equipment for Hire that can be used away from the hall

**Large Tables each £5**

**Wooden chairs each £1.00**
